

GUIDELINE FOR ABSTRACT SUBMISSION

1. Authors are invited to download the given abstract form. Abstracts must be prepared and submitted by using it. Otherwise, they will be rejected.
2. Abstracts must not exceed one A4 (or letter size) page in length; maximum total word count is 400.
3. Abstracts should not contain photographs, figures, tables or references.
4. The title should concisely indicate the specific nature of the work.
5. The presenting author should be indicated by an asterisk '*’.
6. Please specify if the paper should be presented as oral or poster.
7. The email address of the presenting author should be typed in the foreseen line.
8. The abstracts should contain a brief introduction, the main results and end with the short conclusion. However, these should not be indicated as separate headed sections in the abstract.
9. The author must complete the registration and pay the registration fee following the registration link.
10. Applications without completed registration by the author and/or without regularly paid fee will not be accepted.
